Dear Niranjan,

Sub: Appreciation letter

We thank you for the services which you are rendering to us since January 2010.
We appreciate your team effort & customer service.

In a service industry there is always a scope of improvement, which we always point with good intentions, so those corrections will scale you to a better height which in turn fetch us a premium quality service.

We expect your business & growth reach still further height & wish your team.

Thanking you,

From Cookson India Private Limited
